Chapter 1 by Feyre Archeron

Happiness is very important. If everyone wants full of happiness we would all be depressed and nobody would like that. No me would tell jokes, play games, laugh.

Just think no one would no what laughter even sounds like. If I like happiness, you have to like it to. Happiness is a big part of our lives. It wouldn't be pretty if no one was full of happiness.

Now do you see why happiness is so important to us. We need it to make our lives complete. Without it we are nothing but slugs, just plopping around the town like dead fish.

We need happiness. I need happiness. You need happiness. Don't you see happiness is wonderful, beautiful. It's love, joy, laughter. It's everything except depressed.
